# WHAT'S THE BABY'S NAME, STACEY?

Written by **Candelaria Norma Silva-Collins**

Illustrated by *Justin Aquidado*

## About *What's the Baby's Name, Stacey?*

Stacey Huggins is in a quandary. She is to announce the new baby's name at the family barbecue, but she has forgotten it. She listens to her relatives as they meet him, but each one calls him something different (i.e., Big Head, Sweetie Pie, Little Man). Finally, with the help of her uncle, Stacey remembers and makes her announcement just in time.

The bright and lively illustrations show a large Black family and friends at a bustling family gathering, celebrating a new baby with humor and warmth.

This is the third book featuring Stacey Huggins. The first, *Stacey Became a Frog One Day* was published in October 2020. The second, *Jump, Jump, Jump, Stacey!* was published in December 2021.

## About Candelaria Norma Silva

Candelaria Norma Silva writes children's stories that are meant to be read aloud. They are inspired by the large, loving, close-knit extended family she grew up with in St. Louis, Missouri. Her experiences as a daughter, a mother, a grandmother, an aunt, and a "play-auntie" means she has many stories to tell!

Candelaria lives in a vibrant Dorchester neighborhood in Boston, Massachusetts, with her husband.

## CHECK OUT MORE OF STACEY'S ADVENTURES:

### *Stacey Became a Frog One Day*

With imagination, Stacey can be anything! Stacey Became a Frog One Day, and each day of the week she has fun as a different animal. When will she be a kid again? Join Stacey's reverie in rollicking rhyme and rhythm to find out.

### *Jump! Jump! Jump! Stacey*

Playing outside, Stacey resists coming indoors to take a nap. She would much rather jump or dance or twirl. Young readers will enjoy all of Stacey's movements, eventually leading to slumberland. Parents will surely recognize the struggle to get a young child to take a nap.

Both titles are available on *IngramSpark*, *Amazon.com*, and the *author's website*.
